The Harmon's

Going to the Heart of Uruguay

Dear Friends,

The past year has been a time of transition and blessing. In January we returned from a survey trip to Uruguay. While there, we were able to confirm the Lord's leading in our lives with respect to going with BWM. This happened through getting to know future co-workers and their respective ministries and by reconfirming our burden to reach the interior city of Durazno. On our return, we were able to gather the necessary items for deputation such as a good vehicle, video projector, prayer cards, and display. Around that time, Berean Baptist Church of Brooklyn Park, MN sent us out. They, along with another church in the area, were the first to launch us on our way. We are currently at 13.26% support. In June, we experienced an unexpected move. This delayed us for about a month. On October 1st our first child, Felicia Noel, was born. She has been a great joy to us.

Our goals for the coming year are to reach 33% support no later than this fall. When we reach 33%, I plan to cut loose from my security job so that we can be more flexible in planning meetings. In order to reach this goal, I plan to schedule at least two meetings each week, and be in churches for at least 3 out of every 4 Sundays. We would also like to see the Lord direct more missionaries to Uruguay with BWM. We will be attending Northland's Heart Conference in February and setting up our display while there. We trust that by doing so, we will spark some interest in students and possibly recruit some. We would also like to see the Lord use us to win more souls for Him. We hope to accomplish this by being faithful testimonies to friends made at our new apartment and by sharing the Gospel with those we meet at work and in churches.

Our needs for this coming year are prayer, excellent health and wisdom as we travel with an infant, as well as sufficient finances to meet a busy travel schedule.

Going to the Heart of Uruguay,

Paul, Jo Anna, & Felicia Harmon
