## Church Planters to the HEART of Uruguay

Dear Praying Friends,

“Bless the LORD, O my soul, and forget not all his benefits.” May the Lord continue to bless you richly as you serve Him in the New Year. We have already seen the Lord at work bringing blessings to our lives.

Our first blessing was the result of much prayer, careful planning, and some phone calls. Since last November, we have been calling churches for pre-field ministry meetings. As a result, the Lord opened many doors for us. We will travel to South Dakota, Minnesota, Wisconsin, Michigan, and Illinois during February and March. As you think about us during the next few months, please pray specifically for three things: first, for safety as we travel the treacherous winter roads in these northern states; second, that the Lord will be able to use us to be an encouragement to churches concerning His work in Uruguay; third, that our summer and fall schedule will be completely filled.

Our second blessing has been the arrival of our family for the Christmas season. Our little girl, Felicia, is very much the center of attention as she continues to grow at an almost exponential rate. It is so wonderful to discover God's handiwork through a newborn's eyes. Of course, our family is not shy about smothering her with tender-loving care. Since Christmas, both our parents have returned to their fields of service after this time of refreshment. Please pray for them as they continue to serve in the Netherlands and in Uruguay.

Our third blessing has been the privilege of visiting from time to time with Ray and Sharon Pope. These veteran missionaries to Uruguay have been good friends over the years and are a continuing source of encouragement and inspiration. Please pray for Ray as he battles cancer and for Sharon as she continues to act as caregiver for her husband and father-in-law.

In the midst of these blessings, we have also experienced sorrow. Jo Anna's grandfather passed away on January 1. We rejoice in his godly testimony and in knowing he is with the Lord.

Our fourth blessing has been the addition of another individual supporter. We know that the Lord is working as people and churches are beginning to pray, and to hear about our burden for the lost in the Heart of Uruguay. Please pray for us as we seek to reach hearts concerning missions in Uruguay.
