

The Harmon's

Church Planters to the HEART of Uruguay

Dear Praying Friends,

We trust this letter finds you well, and rejoicing in the Lord. Greetings from a beautiful fall in Minnesota.

Since our last update we have been primarily to churches in Minnesota and South Dakota. We had the privilege of being the missionaries for a Junior age camp in July. The end of August found us at Baxter, MN attending the Minnesota Baptist Association Meetings. After several months of being in meetings every Sunday, we greatly enjoyed a few days "up north" unwinding at a hotel, and visiting with pastors from Minnesota. We came away from this mini-vacation a little more relaxed, and with several new meetings for this Fall. We now have a full schedule through the end of January 2006. However, please do not stop praying for us to have a full schedule. We are looking to schedule meetings in Colorado. If you have friends or family in Colorado, we would love to visit them and their church. Please feel free to drop us a line at pharmon@baptistworldmission.org.

September found us enjoying being reunited with Dad, Mom, & Annelies Harmon. They have returned from Holland, and are currently in transition to a new area of ministry after seventeen years in Holland. You can drop them a note of encouragement at pharmon@baptistworldmission.org. We have enjoyed having them a little closer, and helping them prepare for a final report to their supporting churches. During the first part of September, we also traveled to two ladies meetings. One was in Redwood Falls, MN and the other was in St. Peter, MN. At the first ladies meeting, Jo Anna spoke on the theme of being a sweet smelling savor to God. At the second meeting, she gave her extended personal testimony. We found it a joy to be able to encourage these ladies, and to see them challenged in their personal walk with God.

The middle of September found us traveling twice to Paul's state of birth, South Dakota. We spoke at the churches in Huron and Brookings, SD. As we were crossing the border, Jo Anna turned to Felicia and explained that this was a monumental event in our travels. This was the first time Felicia had visited Daddy's home state. While in South Dakota, we took a brief detour and looked up the old home in Madison, and visited the location of the former church.

On October 1st, we celebrated Felicia's first birthday. Besides family, we invited several one-year-olds as well as some family friends. Among those who came were veteran missionaries Ray & Sharon Pope. We had a good time visiting with them (please continue to pray for Ray's health), and also with some future missionaries who are planning on ministering with GMSA in Uruguay. Please pray for John & Kristen Ball as they look towards pre-field ministry.

A final note of praise is that we have wonderful news to report. A brand new church being planted in New Paris, IN has decided to stand behind us. We are now at 26 percent. Now that we are through the slow months of summer, we are excited to see what the Lord will do during the harvest months of fall.

We are confidently working as you pray. Paul will be going to a flex position with his security job on January 1st so that we will have more opportunities to travel farther from home. Please continue to follow our travels at www.heartofuruguay.com/journal.

We trust that by the time you read our next prayer letter, we will have an updated prayer card to give to you.

Sending Church:
Berean Baptist Church
8825 West Broadway
Brooklyn Park, MN 55445

Serving with:
Baptist World Mission
P.O. Box 2149
Decatur, Alabama 35602

Home Address:
Paul & Jo Anna Harmon
6221 Shingle Creek Parkway #1108
Brooklyn Center, MN 55430
